# HEATING SYSTEM REBATE

## TERMS & CONDITIONS

The qualifying equipment must be installed in a home or business with natural gas service from Summit Utilities in Arkansas or the Texas communities of Texarkana, Nash, Redwater or Wake Village. Rebates will be paid on a first-come, first-serve basis and are subject to budget availability and program changes. Applicants have up to 120 days from the installation of the natural gas equipment or natural gas meter to submit a rebate application. **If the 120 days have passed, the applicant may still be eligible for a rebate if the Program Year budget has not been exhausted and the rebate is applied for within 365 days of the installation of the equipment.**

No rebate will exceed equipment purchase price.

**Equipment installed under warranty replacement does not qualify for the rebate.**

Summit Utilities reserves the right to inspect the installed equipment.

## NEW CONSTRUCTION INSTALLATION

**For new construction installations, the builder should negotiate with homeowners to determine who receives the rebate. If you are building a new home, you must obtain an invoice from your heating system installer. One application must be submitted for each qualifying heating system installation.**

## POINT OF SALE (POS) OPTION

Dealers and installers who deduct the rebate at Point of Sale will be eligible to receive rebate payments directly from Summit Utilities.

Installers are eligible to receive their customer's rebates if a discount to the customer for the rebate amount is shown on the submitted invoice.

## ONLINE REBATE SUBMISSION

Applying for a rebate using our online portal will result in faster rebate processing and payment. Please visit [www.summitutilities.clearesult.com](http://www.summitutilities.clearesult.com) if you are a customer or [www.clearesult.com/trade-ally/summitutilities](http://www.clearesult.com/trade-ally/summitutilities) if you are a trade ally.

## SUMMIT UTILITIES GAS ACCOUNT NUMBER

Customers can obtain their gas account number from their monthly bill statement, or online at [www.summitutilities.com](http://www.summitutilities.com).

## PROOF OF PURCHASE AND INSTALLATION

All submissions must include dated sales invoices/receipts. Invoices/receipts must include equipment purchase price as well as brand/model number or serial number. The invoice must also list the ENERGY STAR smart thermostat brand, complete model number or serial number if installed with the heating system listed on the rebate application.

**Summit Utilities is unable to accept applications that do not include all of the requested information.**

## PROCESSING

Completed rebate forms are processed in the order in which they are received and paid on a first-come, first-served basis. Only one rebate per piece of equipment will be paid. Account number must be activated for installation address in order for rebate to be processed. Summit Utilities is not responsible if the dealer does not provide accurate information about the amount of a rebate or equipment eligibility. Rebate qualifications and amounts are subject to change. Summit Utilities Conservation Improvement Program (CIP) rebate programs may be canceled or changed at any time.

Summit Utilities issues a cash rebate not utility bill credits. Please allow 6-8 weeks from the date that Summit Utilities receives your completed paperwork to receive a rebate payment.
